

## **HEAD BARTENDER/ASSISTANT MANAGER – RAY'S BAR**

Ray's Bar is a late-night cocktail bar, hiding beneath Voodoo Ray's in Dalston. Priding ourselves in our high standards in the drinks we serve – and how we serve them – Ray's Bar makes for the perfect subterranean escape from the high street.

We are currently looking for a head bartender who can also act as the Assistant to the General Manager. The ideal candidate would have two or more years of experience in cocktail bartending, along with creative skills and a passion for drinks and service.

Your role would be leading service, maintaining high drinks standards and stock control. You will also have creative input into the menu to drive the business forward.

This is a full-time position of 40 hours a week, with a competitive hourly rate, plus a share of tronc service.

We are a growing company, with plenty of room for progression with us. If you are interested, please send your current CV and a bit about yourself to [jobs@voodooorays.com](mailto:jobs@voodooorays.com)
