VOODOO RAY'S

If you want something a bit different for your Christmas event this year, think pizza! We can help you throw your own private pizza party at Voodoo Ray's.

Our Dalston, Camden and Peckham restaurants are both available for Christmas party bookings, and our dedicated event planners will help make budgeting and planning easy and transparent.

Both restaurants are available for lunchtime and evening bookings, and with 16 pizzas to choose from (including festive specials, plus vegetarian and vegan options) you'll have all the flexibility and choice you need. With The Karaoke Hole sitting underneath Voodoo Ray's Dalston, we've got options for groups of 6 up to 160.

Get in touch on xmas@voodoo-rays.com to discuss your event and book before the end of September to enjoy a sweet little 10% discount.
